**Depth** 84" (2.13 m.)

**Approx. Weight** 5535 lbs (2511 kg)  
w/5.7 Gi Volvo Penta®

## GS 259

All new for 2006, the GS 259 Sport Cruiser is a comfortable, roomy cruiser that, from a performance and handling perspective, never forgets it's 100% Glastron. Open the throttle and feel that "Glastron lift" as the GS 259 gets up on plane and goes. Note the passenger-friendly seating arrangement and the one-level cockpit. Below deck, the superbly-appointed, tastefully-upholstered fore and aft cabins strike the perfect balance between function and luxury. The dinette and full galley make you feel right at home on overnight and extended outings. This is everything you'd want in a cruiser plus everything you'd expect from a Glastron. And all of it easy to trailer too.
