Cabrio 330

Take the helm of the Cabrio 330 and set a course for a distant shore. This 32-foot flagship of the Cabrio fleet offers a spacious and comfortable 11-foot 6-inch beam with the performance and economy offered only by the exclusive Duo-Delta Conic notched hull. A deep extended swim platform is offered as an option that enhances boarding dockside and handling lines. Modular seating lets you arrange the cockpit as a wide-open dance floor or full-width sun lounge.

Hand-finished maple cabinetry graces the luxurious cabin of the Cabrio 330, which is also fitted with standard Ultra-Leather settee upholstery and a suspended vinyl headliner. The galley features a wood-floor insert and color-matched appliances, plus plenty of

Large comfortable mid-cabin berth with open staircase creates a spacious feeling and converts to an additional dinette area.

Transom storage for fenders and docklines is easily accessed. A wide swim platform is enhanced by an optional extension.

stowage space. Both the forward and mid-cabin berths are designed to accommodate adult couples in comfort. A long list of optional equipment, including air conditioning and genset, let's you build a Cabrio 330 that fits your needs perfectly.

Take a virtual reality tour of the Cabrio 330.
