Sea Ray®

# 240 SUNDANCER®

2007

The all new 240 Sundancer is a grand first step into Sea Ray's world-renowned family of raised helm, mid-cabin stateroom designed cruisers. The ingenious cabin layout encompasses plentiful storage, gorgeous cherry wood cabinetry and four color-coordinated fabric design package choices. Outside, the functional cockpit is designed for versatility and entertainment for fun while docked or underway. At first glance she may appear as a large-scale cruiser, but she's still trailerable with an 8' 6" beam.

Full-function ergonomically designed helm with custom Sea Ray SmartCraft™ diagnostics and instrumentation along with designated surface for the optional Navman Chartplotter.

The large cockpit is perfect for friendly gatherings. The portside conversation area features a swing-out table with double helm and to starboard is a convenient wet bar with designated area for a carry-on cooler.

There's no lack of convenience in the galley of this cruiser. Overnighting or even extended weekend stays are possible with standards like dual voltage refrigerator, microwave, plentiful storage in cherry wood cabinets and optional stove.

The V-berth fills the bill as a comfortable berth at night then remove the filler cushion (and stow conveniently in dedicated storage) and convert it to a cushy sofa for daytime relaxation. Bring out the dining table, with fine surface, and four can comfortably dine.
