

1999 SPORT BOAT SPECIFICATIONS

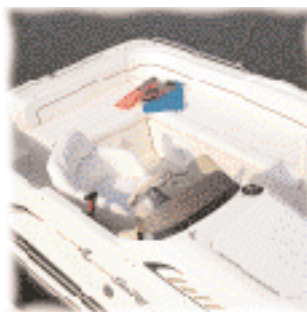

240 Sundeck®

Instrumentation with night lighting is easy to read. Indirect cockpit lighting adds ambiance to night cruises.

In the bow area, port and starboard bench seats provide extra seating; an optional table with filler cushions gives you an additional sun pad.

Guests will enjoy the spacious L-shaped bench aft seating surrounding the dining/cocktail table, which converts to a sun pad via filler cushions.

Extra-long retractable ladder allows easy access from the water or the shore.
