260 Sundancer®

2003

The large self-bailing cockpit is perfect for friendly gatherings. In the aft section, there's a refreshment center with wet bar and cooler, a port aft-facing seat with fold-down sun pad and a foldaway aft bench.

The portside sun lounger provides an aft-facing backrest or a forward-facing seat back for your companions. Note the integral steps that allow easy access to the foredeck for sunning or working lines.

Full controls and instrumentation are at your fingertips, with illuminated switches and custom low-glare backlit gauges.

The 260 Sundancer has the sleek good looks and high-caliber performance you'd expect from a much larger, much more expensive cruiser. No other boat in its class can offer the luxurious appointments found in the 260 Sundancer. It's packed with creature comforts inside and out. Smoothly powered by a MerCruiser® 260 hp 5.0L MPI Bravo® III stern drive, the 260 Sundancer is truly a boat that lets you and your guests get the utmost enjoyment out of the weekend.

The galley features a countertop with sink, single-burner butane stove, microwave and dual-voltage refrigerator.

The V-berth serves as a sofa during the day, then filler cushions convert it to sleeping quarters at night. Bring out the dining table from its designated storage, and four can dine comfortably.

The optional camper canvas package includes bimini front curtains, camper aft curtain, camper top and boot, side curtains and a canvas storage bag.
