Sea Ray®

A WORLD BEYOND THE MAINSTREAM.™

Is It Too Much Boat For The Mo

It may just be the ultimate blend of desirability and affordability in a family Sport Cruiser. The new-for-'98 270 Sundancer Special Edition. It's everything you expect from a proud member of Sea Ray's renowned Sundancer line of mid-cabin gems. But priced in a range you never expected for a Sundancer Sport Cruiser—especially one with so many standard features. Only the world's largest builder of superior quality pleasure boats could take such advantage of economies of scale.

Everything you need for a complete boating experience is here for daylong fun, overnighting or more extended cruising to almost anywhere you want to go. All of it carried off with the unique style, spaciousness, performance and quality for which Sea Ray is known. The full-featured cockpit is loaded with cleverly placed storage areas and ample seating for several passengers, from a comfortable sun lounger to a convenient, fold-away aft bench seat. The cockpit cooler and abundant beverage holders set the stage for topside partying, while a well-equipped galley below with refrigerator, microwave and alcohol electric stove is ready for any kind of entertaining.

Propelled by a smoothly powerful 250-hp MerCruiser® stern drive, you and your passengers can enjoy a full package of cruising amenities in the spacious cockpit, with generous seating and sunning accommodations.

You'll dine in comfort at the convertible dinette, where you'll also sleep in comfort when the V-berth filler cushions are inserted. And the Sundancer's hallmark raised helm provides additional sleeping quarters amidships in the double bunk, with privacy curtain and yet more storage, proving again that no one gives you more usable space per foot than Sea Ray.

And the list goes on, from a complete stand-up head with shower and portable toilet to special touches like interior directional lighting, a lockable, translucent deck hatch with screen and much more. More than enough to satisfy even the most experienced boater. And for a boat that offers such a big package of features, it's surprising how easy it is to trailer.* Ask for a test drive today. Once you're aboard, what makes this Special Edition so truly special will quickly become crystal clear.

*Be sure to check the towing capacity of your vehicle before trailering a boat.

WHY? THE COMPETITION THINKS SO.

The versatile V-berth, containing voluminous storage space and complete with throw cushions, is the perfect setting for chatting while dining, and provides a comfortable night's sleep by inserting the standard filler cushions.

Every necessity is right at hand for the seagoing chef in the beautifully outfitted galley, with a surprising amount of storage, a 120V refrigerator, microwave, alcohol electric stove and a good-sized countertop with sink.

From an adjustable helm seat with a fiberglass storage base, the captain surveys a truly ergonomic dash with full, backlit instrumentation, a convenient chart cover and easy-to-reach switches and controls. A vented windshield provides welcome breeze.

The fully equipped stand-up head features a handy sink with vanity, medicine cabinet, shower with curtain, a portable head, plus light and ventilation courtesy of a screened window.

Every new '98 Sea Ray comes with thousands of dollars in privileges and benefits in the Sea Ray Preferred Customer Club™. You'll save on merchandise, apparel, travel and dining, and receive a host of special privileges for more enjoyable boating. And new for '98: The Sea Ray Earnings Account, helping you build credit toward a discount on a future Sea Ray—a value worth hundreds, even thousands of dollars. Ask your dealer for details.

Sea Ray

A WORLD BEYOND THE MAINSTREAM.™

Though it's big on the inside, the Special Edition's 8'6" beam makes it easy to trailer.
