A WORLD BEYOND THE MAINSTREAM.®

280 CUDDY CABIN • SPORT CRUISER • 1999 SPECIFICATIONS

The cabin features a handy portside snack bar with optional microwave off the V-berth, and a large entryway hanging locker.

With the dinette table stowed, the V-berth converts into a comfortable and luxurious conversation area.

With the pedestal table in place, the V-berth becomes a dinette.

The aft lounge seat includes a padded engine cover to accommodate more people, and features a removable cockpit table.

The adjustable captain's chair with fiberglass storage base is both functional as well as comfortable and provides an excellent view of the complete instrumentation, including the Clarion® stereo.

The fold-up transom door makes boarding easy.
