Fuel Capacity	200 gal (757 L)
Water Capacity.....	35 gal (132.5 L)
Holding Tank.....	28 gal (106 L)
Dead Rise.....	23°

Sea Ray®

A WORLD BEYOND THE MAINSTREAM.®

310 SUNDANCER® • SPORT CRUISER • 1999 SPECIFICATIONS

The broad dash places everything in easy sight and reach, including illuminated weatherproof rocker switches, custom backlit instrumentation, tachometer with hourmeter, compass, digital depth finder and VHF radio.

The dinette booth seats four for dinner and sleeps two overnight. Upper cabinets along the starboard side provide plenty of storage.

The fully enclosed fiberglass stand-up head features a VacuFlush® toilet with holding tank, vanity and sink, shower with curtain and stainless steel sea rail.

The mid-cabin stateroom converts from a double berth to a salon area. A privacy curtain can be drawn when the stateroom is occupied overnight.

Faux granite countertops in the galley add to the feeling of luxury inherent throughout the cabin. The chef will appreciate the dual-voltage refrigerator, microwave, two-burner electric stove, and lots of drawer and cabinet storage.

The forward stateroom sleeps two comfortably in the built-in double bed with storage drawers below.
