340 Amberjack®

2002

The dinette booth seats four for dinner and sleeps two overnight. Upper cabinets along the starboard side provide plenty of storage.

In the galley, a granite-colored fiberglass countertop includes a molded-in sink with Corian® cutting board and a flush-mounted two-burner electric stove. The built-in microwave and refrigerator complete the arrangement.

The forward stateroom features a full-size berth with storage underneath, a hanging locker with mirrored door, and privacy pocket doors.

A little bit of cruising. A little bit of fishing. It's all in a day's work for the 340 Amberjack. A wide beam and large cockpit make this the ideal boat for just about anything you and your friends and family want to do on a boat. Guests can sit comfortably in the cockpit during cruising. Standard power comes from twin 8.1 S Horizon MerCruiser® inboards.

The fully enclosed fiberglass stand-up head features a VacuFlush® toilet with fiberglass settee lid, holding tank, vanity and sink, shower with curtain and stainless steel handrail.

The helmsman oversees a wood-accent tilt steering wheel, plus an unbelievably well-appointed instrument panel, and a curved tri-section tinted glass windshield.

The lower cockpit area has a standard L-shaped seat.
