

# 340 Sundancer®

2004

The large cockpit has everything for relaxing and entertaining, including helm, companion, and portside bucket seats - each with flip-up bolsters, plus large U-shaped aft seating and a cockpit wet bar.

The portside wet bar has a sink with faucet, icemaker and plenty of storage space.

A plush, over-stuffed sofa with a dining table that can be stowed in its own dedicated locker encompasses the entire starboard side of the salon. For overnight guests, the sofa converts to a double berth.

In the 340 Sundancer, high performance, comfort and quality are beautifully combined in one sleek cruising package. Powered by twin MX6.2L MPI MerCruiser® V-drives, the 340 Sundancer is the ticket that will let you discover a whole new world of boating. A roomy, redesigned cockpit offers plenty of opportunity to relax, and her sleeping accommodations for six mean family and friends can go right along with you.

In the galley, meal or snack preparation is a breeze with the enormous countertop, refrigerator/freezer, recessed two-burner electric stove, sink with faucet, and microwave.

The V-berth features an island bed with storage beneath, hanging locker, a privacy curtain, and large gunwale cabinets.

The broad dash places everything in easy sight and reach, including standard SmartCraft™ diagnostics, waterproof switch panels, compass, and plenty of room for electronics.
