350 SUNDANCER®

Sea Ray®
2011

The 350 Sundancer proves that Sea Ray is always pushing into new and rewarding territory. Four oversized hull windows contribute to enhanced interior visibility and ambient light. There's a clever aft-facing transom seat, optional cockpit barbecue and flatscreen TV, and an electrically adjustable forward berth. A plunging sheer line and contoured fiberglass sport spoiler are sure to grab attention wherever you go. Choose your preferred power from gas or diesel sterndrives or inboards.

Take command from the burlwood-accented helm, which features SmartCraft® diagnostics, digital throttle and shift, a VHF radio, and room for almost every electronics upgrade in the book.

Watch the kids splash around behind the boat, don your water sports gear, or simply take in a wonderful sunset from the foldaway transom bench. There's still room to store fenders and gear here, too.

Four options that take the cockpit to a new level: a stainless-steel barbecue grill, removable flatscreen TV, and refrigerator or icemaker. The wet bar with solid-surface countertop is standard.

Get cooking in the spacious galley with solid-surface countertop, microwave, refrigerator, and recessed two-burner stove with cover. A second refrigerator drawer adds space on longer cruises.

Entertaining in the cabin is easy thanks to plush Ultraleather™ seating, a mid-cabin conversation area, and a flatscreen TV with remote DVD player and premium Sony® stereo system.

The gorgeous V-berth has all the extras you've come to expect from Sea Ray, including an electrically adjustable extension and Posturpedic® backrest with Visco elastic foam mattress.
