380 SUNDANCER®

A custom adjustable helm seat with armrest and flip-up thigh-rise, a spacious companion seat with storage below and a large U-shaped aft seat with sun pad and table provide plenty of socializing and sunbathing room.

At the helm, the captain enjoys a wood-accent tilt wheel with hydraulic steering and dual gear shift and throttle controls.

The portside refreshment center includes a wet bar with sink and faucet, an icemaker and plenty of storage underneath.

Sea Ray's world-famous Sundancer mid-cabin stateroom serves as a conversation area during the day, then electrically converts to a double berth at night. A curtain ensures privacy, and the sliding window with screen provides natural light and fresh air.
