

1999 SPORT BOAT SPECIFICATIONS

210 Sundeck®

The big cockpit provides plenty of space for seating and storage, while the wide swim platform and transom door make boarding easy from the dock or the water.

Note: Shown with optional swim platform

In the bow, a concealed swim ladder gives easy access to the water or shore, while the roomy seating area provides storage beneath the cushions. A hi-lo table can adjust to support a sun pad filler cushion.

Everything's here for a full day of fun on the water including a Clarion® four-speaker stereo system, cocktail table, pressure water system, sink with sprayer and an enclosed, lockable head.

The helmsman oversees an instrument panel with custom backlit instrumentation. Power tilt and trim and a tilt steering wheel with power steering make piloting easy and enjoyable.
