Fuel Capacity	127 gal (480.7 L)
Water Capacity.....	24 gal (90.8 L)
Dead Rise.....	21°

A WORLD BEYOND THE MAINSTREAM.®

280 BOW RIDER • SPORT CRUISER • 1999 SPECIFICATIONS

The custom molded dash with burlwood accents and tilt wheel houses easy-to-see, easy-to-reach instrumentation and switches—plus the superb Clarion® AM/FM digital cassette stereo with six-disc CD changer and six speakers.

The widest bow seating area of any boat in its class provides plenty of elbow room, side and seat storage, plus space for a carry-on cooler and bow table.

The beautifully equipped cockpit entertainment center, with a cooler, glass rack, wet bar and trash receptacle, supplies a full boat-load of people all day.

Just remove a seat cushion and walk through the transom door to the wide, integral swim platform, which features a concealed swim ladder to keep the platform uncluttered.

Something you thought you'd never see on a family bow rider—an enclosed, lockable head, complete with pullout shower sprayer, medicine cabinet, sink and toilet.

The spacious, U-shaped aft bench seat lifts electrically for easy access to the standard 310-hp, 7.4L MPI Bravo® III MCM stern drive.
