Sea Ray®

# 300 SELECT EX

2008

The new flagship of our Select EX series is a progressive runabout with the muscle and sophistication of a luxury sports car. You get impeccable craftsmanship, advanced technology and executive-class comfort. Plus you get to see the jealous looks on every other boater's face. The 300 Select EX elevates state-of-the-art to work-of-art levels.

The bow lounges open wide for easy access to hidden storage compartments. Recessed side panels keep smaller items like suntan lotion close at hand.

The wood-accented wheel has Vessel Control System™ (VCS) thumb-pads that manage the stereo and SmartCraft® functions. Digital engine controls and a chartplotter are also standard.

Turn the standard wet bar into an outdoor galley by adding a stainless-steel barbecue grill and a 12-volt refrigerator in the cabinet below.

With the optional extended swim platform, waterfront acreage is taken to amazing new dimensions. Enjoy the view from a pair of aft-facing transom seats.
