Sea Ray

330 SUNDANCER® 2008

The 330 Sundancer proves that Sea Ray is always pushing into new and rewarding territory. Four oversized hull windows contribute to enhanced interior visibility and ambient light. There's a clever aft-facing transom seat, optional cockpit barbecue and flatscreen TV, and an electrically adjustable forward berth. A plunging sheer line and contoured fiberglass sport spoiler are sure to grab attention wherever you go. Choose your preferred power from gas or diesel sterndrives, or gas inboards.

Take command from the handsome burlwood-accented helm, which features SmartCraft™ diagnostics, digital throttle and shifts, a VHF radio and room for every electronics upgrade in the book.

Watch the kids splash around behind the boat, don your water sports gear or simply take in a wonderful sunset from the foldaway transom bench. There's still room to store fenders and gear here, too.

Four options that take the cockpit to a new level: a stainless-steel barbecue grill, removable 15" flatscreen TV, and refrigerator or icemaker. The wet bar with solid-surface countertop is standard.

Get cooking in the spacious galley with solid-surface countertop, microwave/coffeemaker combo, refrigerator and recessed two-burner stove with cover. A second refrigerator drawer adds space for longer cruises.

Entertaining in the cabin is easy thanks to plush Ultraleather HP™ seating, a mid-cabin conversation area, and a 26" flatscreen TV with remote DVD player and premium Clarion® stereo system.

The gorgeous V-berth has all the extras you've come to expect from Sea Ray, including an electrically adjustable extension and Posturpedic® backrest with Visco elastic foam mattress.
