340 Amberjack®

2003

In the galley, a granite-colored fiberglass countertop includes a molded-in sink with Corian® cutting board and a flush-mounted two-burner electric stove. The built-in microwave and refrigerator complete the arrangement.

The dinette booth seats four for dinner and sleeps two overnight. Upper cabinets along the starboard side provide plenty of storage.

The forward stateroom features a full-size berth with storage underneath, a hanging locker with mirrored door, and privacy curtain.

A little bit of cruising. A little bit of fishing. It's all in a day's work for the 340 Amberjack. A wide beam and large cockpit make this the ideal boat for just about anything you and your friends and family want to do on a boat. Guests can sit comfortably in the cockpit during cruising. Standard power comes from twin 8.1 S Horizon MerCruiser® inboards.

The fully enclosed fiberglass stand-up head features a VacuFlush® toilet with fiberglass settee lid, holding tank, vanity and sink, shower with curtain and stainless steel handrail.

The helmsman oversees a stainless steel tilt steering wheel, plus an unbelievably well-appointed instrument panel, and a curved tri-section tinted glass windshield.

The lower cockpit area has an optional L-shaped seat.
