380 Sundancer®

2003

The portside refreshment center includes a wet bar with sink and faucet, an icemaker (or optional refrigerator) and plenty of storage underneath.

A custom adjustable helm seat with armrests and flip-up thigh-rise, a spacious companion seat with storage below and a large U-shaped aft seat with sun pad and table provide plenty of socializing and sunbathing room.

The salon has a sofa that converts to a double berth, an entertainment center with TV/VCR and radio and plenty of storage cabinets.

The 380 Sundancer is destined to attract attention wherever she goes. She's a grand example of the latest Sea Ray innovations. With a deep-V hull and the smooth power of twin 8.1 S Horizon MerCruiser® V-drive engines, her superb seaworthiness is sure to please the most demanding owner. Her spacious cabin with sleeping accommodations for many makes the 380 Sundancer perfect for extended pleasure cruises with family and friends.

The galley is well equipped for easy living, with a large refrigerator, two-burner electric stove, microwave, coffeemaker, and sink with Grohe® faucet and cutting board. Beautiful faux granite countertops and plentiful storage drawers and cabinets enhance the cabin's stylish interior.

Sea Ray's world-famous Sundancer mid-stateroom serves as a conversation area during the day. The seating converts to a double berth at night. A curtain ensures privacy, and the stainless steel portlight opens to provide natural light and fresh air.

At the helm, the captain enjoys a wood-accent tilt wheel with hydraulic steering and dual gear shift and throttle controls.
