**Rnr Marine Announces T-topless For Center Console Boats**

Mon, 31 Mar 2008   Similar Items   Print   Social Bookmark

RNR Marine, Inc. is pleased to announce the release of an innovative product for the recreational boating industry. The T-TOPLESS provides an attractive tee-top for center console boats, which installs in minutes and lowers in seconds, allowing the boat to be stored indoors or under a cover, saving storage fees and increasing usability. This patent pending product is in full production and available on-line. RNR has a program for interested boat dealers. **Read »**
